

## **Aim**

To give support, encouragement and opportunity for professional development to people involved in oral health improvement in the region.

## **Objectives**

1. To provide a network in the region for the sharing of oral health improvement related information.
2. To provide a platform on which evidence informed practice can be assimilated.
3. To provide links within the Network for members to share knowledge and experience.
4. To act as a pressure group.
5. To provide opportunity for continuing professional development.

## **Network Meetings**

The Network meet 4 times a year (March, June, Sept, Dec) on a Wednesday afternoon at different locations around the North West of England. It's an opportunity to listen to eminent speaker or simply gain some advice from a colleague from another part of the North West of England and all meetings provide CPD certification.

*\*Due to Covid 19 the meetings have been moved onto MS Teams.*

## **Membership**

Open to all those involved in oral health improvement. Membership entitles you to;

- Attend all four meetings with priority booking
- Verifiable CPD
- Receive updates and information

The annual fee is £6.00 with membership running from the 1<sup>st</sup> June each year.
